

# PLANNING FOR 2022 WITH LATROBE LIFESKILLS

## Preparing a Quote

We can provide a quote based on your anticipated days of support and individual needs. Quotes are very useful to bring with you to planning meetings as they outline the funds required to access a service without interruption.

## Meetings

We can discuss your goals and give you information about Lifeskills. You'll also get a tour of some facilities on campus. We always need to meet Participants before going any further with enrolment to ensure we're the right fit for you!

## Get a Taste of Lifeskills

Later in 2021, we can book students in for a trial to get a taste of Lifeskills and meet some of the Participants currently attending.
