A BIT ABOUT LIFESKILLS

Established in 1998, Latrobe Lifeskills is a Registered Training Organisation which provides accredited training in foundation skills (disability-specific). In addition, Latrobe Lifeskills is a NDIS Registered Disability Support Service, providing non-accredited education and group activities. Lifeskills' focus is to assist Participants to build independence, confidence and selfworth while working towards each Participant's needs and goals.

SUPPORT AND EDUCATION SLES

Let Latrobe Lifeskills help you gain and maintaining employment through School Leavers Employment Supports (SLES). SLES takes an individualised approach so that the training and supports you receive are relevant to you and your goals. SLES is delivered through a combination of structured learning and accredited training.

NDIS ACTIVITIES

Choose from a range of activities such as Travel Training, Cooking, Gardening, Communication Skills, Craft, Work Experience, Volunteer Work and more!

ACCREDITED COURSES

Ask us about our range of Certificate Courses covering literacy, numeracy, recreation, and employment skills!

ACHIEVE YOUR GOALS

We believe 'life skills' is about more than learning domestic skills and learning how to get from A to B. At Latrobe Lifeskills, you'll have the opportunity to pursue your interests so that you can enjoy your life, make friends, and most importantly, have fun! Lifeskills Participants enjoy the benefits access to La Trobe University's world-class facilities, including computer labs and fully equipped classrooms at the Bendigo and Bundoora campuses.
